RALLY SERVICE REQUESTS

The Rally Service Request form will open on February 12th. An email will be sent to all registered attendees with a link to the form.

HOLDING TANK PUMP-OUT SERVICE PURCHASE

Only attendees camping in the following areas need to consider purchasing one or more Pumpout Medallions: Area 11 - Carnival, Area 12 - Yellow and Areas 13/14 - Northeast. These are the only camping areas in use this year that do not have sewer. Should you wish to hire a holding tank pump-out, you will need to purchase 1 or more Pump-out Medallions via a separate process outside of Rally registration. <u>Visit this link</u> to make your purchase. Be advised that there are 3 dump stations on Ring Road that you may use for free at any time. And if you have one, you can use a portable sewer tote and dump it at a dump station. Finally, for those who are comfortable with it, there are 4 bathhouse buildings on the property for your use. They all have sinks, toilets and showers and can be a great way to offset some of your tank usage.

Registration Steps for

CAMPING AT THE RALLY VENUE

- 1. Visit the rally registration site with our registration partner, Staylist at https://booking.staylist.app/alliancerv

Click on your planned arrival date (select only May 26, 27, 28 or 29), then click on June 1 as your departure date. If you're planning to stay 1 extra night, you'll still click on June 1 in this step. <u>Follow this link</u> and read FAQ # 12 to learn more on staying an additional night.
- In the *Equipment* field, click *Make / Model*, then, using the drop-down selector for each, select which Alliance RV brand and select which floor plan you have. In both cases, if you don't have an Alliance RV, select *Other*.
- 4. The *Guest* field is auto populated with 2 adults, as your event fee includes up to 2 adults. You can add additional members to your party in a later step.
- To the left of the site map, under *Type*, select *RV Site*. Below *Type* is a *Filter Result* button - click it.
- 6. All camping areas with available that can fit your unit will show up as red, blue, or purple blocks. Black blocks are either sold-out, won't fit your RV or weren't used this year. Click an available block in the area you want.

Registration Steps for

STAYING OFFSITE

- 1. Visit the rally registration site with our registration partner, Staylist at https://booking.staylist.app/alliancerv
- In the *Check in out* field, click *select dates* to open a calendar. Select May 29 – June 1. Selecting only these dates are important for the pricing to work correctly. The word 'Camping' is a misnomer for you, but the processing feel is legitimate.
- 3. **DO NOT** select Equipment Make / Model for Offsite registrations. Refresh your screen if you selected it inadvertently, then start over at step 2.
- The *Guest* field is auto populated with 2 adults, as your event fee includes up to 2 adults. You can add additional members to your party in a later step.
- 5. To the left of the site map, under *Type*, select *Offsite*.
- Above the site map, and to the right, there is a *View* setting, where a folded map is selected by default. Click the *List* icon to the left of the folded map icon. See Offsite Registration screen image on page 2.
- If inventory is available, the *OFFSITE* rally registration option will be displayed, and a *Select* button will appear below it. Click the *Select* button to proceed with your registration. Proceed to *Addons*, on page 4.
